1. Adding a new popular literature class for next year.
2. Elections for next year - law changed this last year. We are open for discussion on elections for next year. We will need to vote on the following positions: Tami Mickelsen, Mike Travis, Elections will be held in the Fall. It must be done within 30 days of the start of school. We need six more parents for next year. Generate nominations prior to back to school night and then vote on back to school night. We can send home information with the summer mailer as well as activate the dialer. Proposed to vote on Back to School Night - everyone was in favor. Proposed to change the meeting to noon w/food - everyone was in favor.
3. Murdock Canal Path - Path opens on Saturday. Lindon's section is at 9:00 A.M. There will be a fun run along the entire path. The school has completed this section and will be ready when the canal is officially open.
4. Other business - we have 77 of the 80 potential students from Valley View. Health will be added for next year. This has enabled us to reduce the numbers in math, English and added a history position. We also were able to add a drama position. 6th grade tours - last year we had 15 students show up. This year, we had 140! FAQ posters with information would be a good idea for the new year.
5. Bullying and social media is something we are trying to focus more on. Last year we had a couple of assemblies. We are also looking for feedback on ways to improve in these areas. We want our kids to be safe at Oak Canyon.
6. Thank you for all the members
7. Hope Squad will be implemented - it is a suicide prevention awareness. Involves counseling and students.
