Public Education Online

Students are eligible to participate in Public Education Online if they are in grades 9-12 and enrolled in a Utah public school. A student may enroll in up to two credits of online courses. The student may not earn more credits in a semester than the number of credits they can earn by taking a full course load at their high school. Please visit <http://alpineschools.org/parents-students/online-courses> for more information or talk to your school counselor.
