

Calling all Chaperones!!

PGJH Choirs are in need of Chaperones for events which take place periodically. Sometimes it's a sports event, other times a service performance at a rest home. Typically you would accompany us on the bus to the event, be there for the event, and join us on the bus for the return trip. If you would be interested in helping out now and then, please email Mr. Manning at trevormanning@alpinedistrict.org

Please include a best phone number to reach. Important: the district requires that all chaperones have fingerprints taken and a background check. This can be done through the district website: go to "quick find" on the top right of the screen, then to "fingerprinting and background checks" to initiate the process. You can get your fingerprints taken at the district office and should have results back within 1 week, then you're all set! When these performances come up, I will reach out to our volunteer list with event details to see who would be interested and available to help.

This Saturday, May 14th, we have a choir performance at a BYU Baseball game and are still in need of a couple chaperones to help (who have already had a district background check). We leave PGJH at 11:30 am, game is at 1 pm, and we return home approximately 3 or 4 pm, depending on when the game ends. We try when we can to help out the chaperones by offering a couple complimentary tickets or a food voucher when we can. Please email Mr. Manning at trevormanning@alpinedistrict.org. Thanks!
