

# Vista Heights PTSA

I am very excited to be the PTSA president at Vista Heights for the 2013-2014 school year. Nothing is more important than our children's education and parent involvement is a big factor in their success. I have found that being involved in the PTSA has been a great way for me to be an advocate for not only my own children, but for other children as well. Throughout the year we will work with the administration, teachers, staff, and student council to bring fun and educational opportunities to our students to help make their experience at Vista Heights one of the best. Please feel free to contact me at any time with questions, concerns, or if you would like to be more involved with the Vista Heights PTSA. Thank you for your dedication to the success of our children!
