Readiness Plans

GOALS FOR TODAY

1. Students will learn about high school credits.
2. Students will make a four year plan based on their interests in different classes.
3. Students will learn about post-high school options.

CREDITS

- Each year is broken into FOUR terms or quarters. Students earn 0.25 credit for each term they pass a class.

Term 1	Term 2	Term 3	Term 4
0.25	0.25	0.25	0.25

- Semester classes (1/2 year classes) earn 0.5 credit
- Full year classes earn 1.0 credit

ALPINE SCHOOL DISTRICT

SHOULD I TAKE AN AP CLASS IN 9TH GRADE?

These challenging and exciting classes would be an appropriate choice for **accelerated** and **highly motivated** students who have demonstrated:

- A strong work ethic.
- An ability to work independently.
- Solid reading and writing skills.
- A willingness to be an active participant in learning.
- An awareness of and interest in the subject matter.

HONORS

English

- Advanced writing skills
- Advanced vocabulary
- Does not avoid difficult material
- Enjoys language/verbal or written communication; exhibits advanced communication skills
- Organizes ideas and sequences in preparation for speaking and writing

Biology

- **Students need to complete the online application form which will ask for your GPA and citizenship grades.**
- Is one year advanced in math (enrolled in Secondary Math I Honors)
- Interested in numerical analysis
- Good memory for storing main features of problems and solutions
- Reasons effectively and efficiently
- Organizes data and experiments to discover patterns or relationships
- Flexible in solving problems

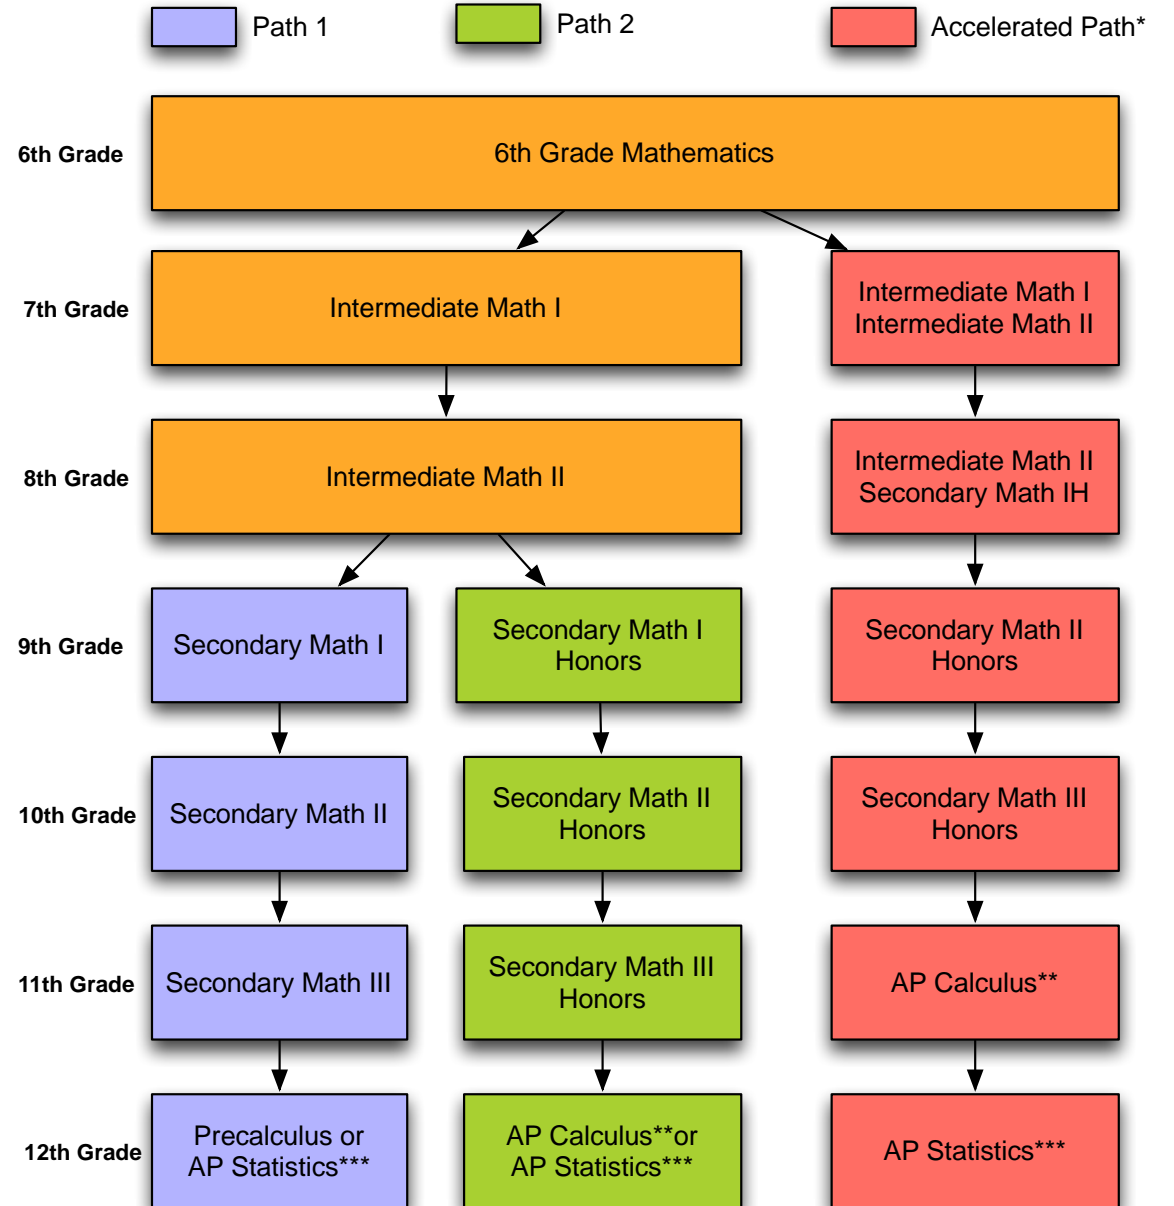

MATH (3 CREDITS)

You only need 3 credits of math for graduation, but you need 4 credits for the Regents' Scholarship. We also strongly recommend you take 4 credits as you transition into college because it will make math easier there.

Alpine School District Secondary Math Flow Chart

Effective 2013-2014

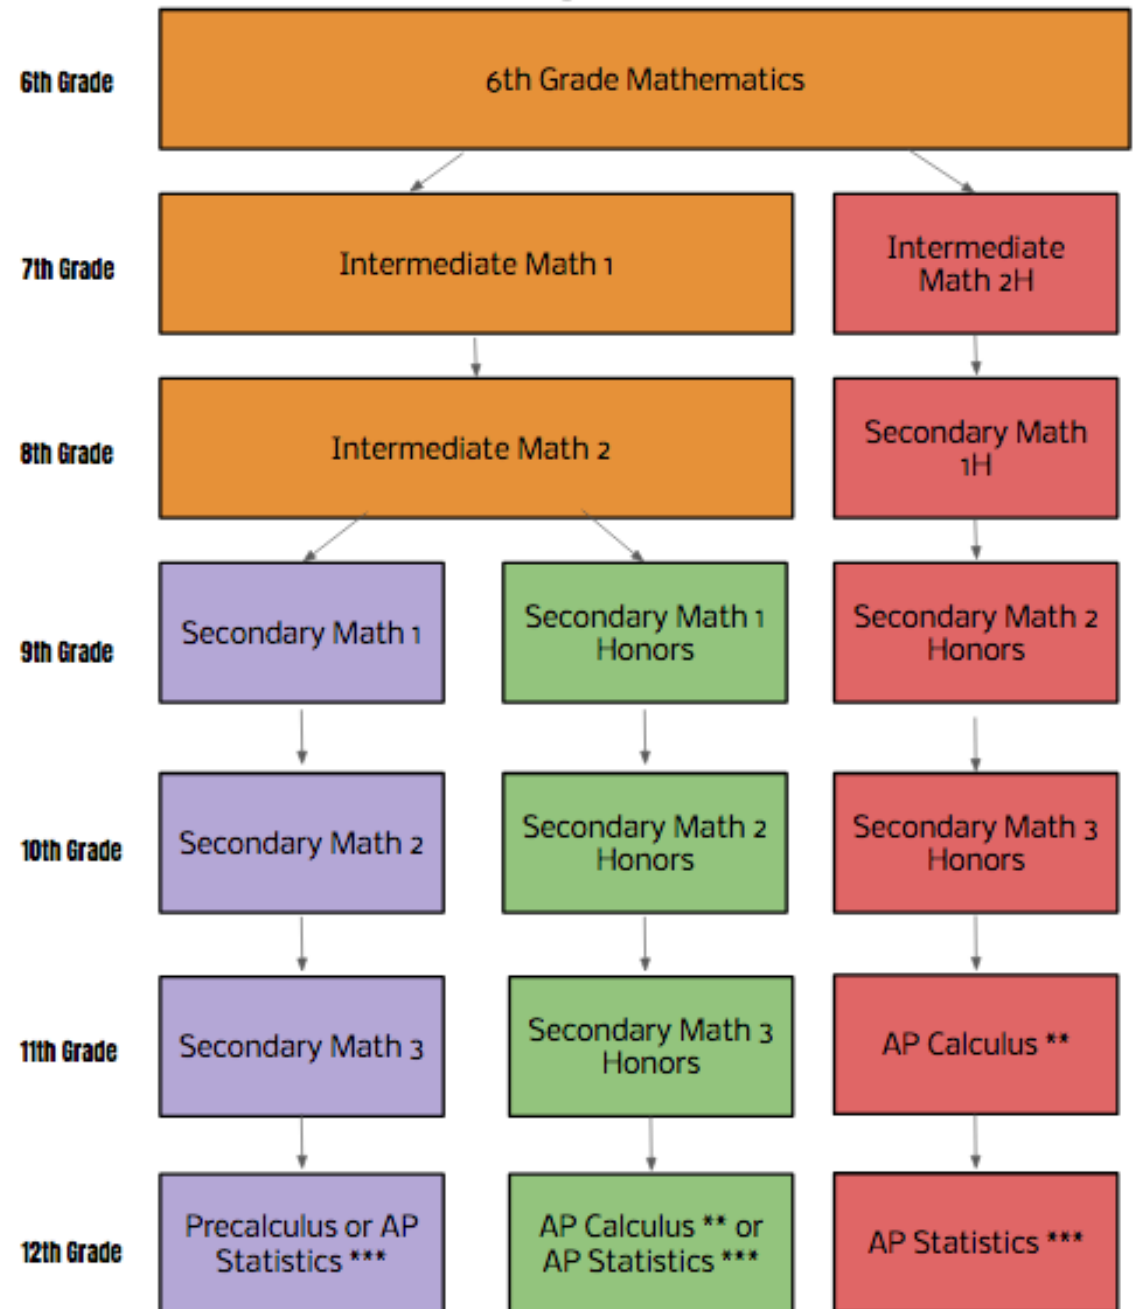

The following list shows the possible progressions of math classes from grade 6 through grade 12. Check with your local school for additional math offerings.

MATH (3 CREDITS)

You only need 3 credits of math for graduation, but you need 4 credits for the Regents' Scholarship. We also strongly recommend you take 4 credits as you transition into college because it will make math easier there.

Homework and 6th grade assembly. PLEASE READ!!!!

Wed Feb 13, 2019 3:06pm

Greetings! GREAT rehearsal today. You guys are doing wonderful things. I'm very proud of you.

We will be playing for the 6th graders on February 28 and March 1st (Thursday and Friday). I'll let you know when you will be released from class. You will miss some of 2nd period for certain.

Homework for Friday:

1. Into the Storm 1-62 and 115-end. We will be working this section with the percussion on Friday!
2. Klaxon First and second strain.
3. Torch of Liberty first and second strain.
4. PLAY SOFTLY!!!! Please work on this. It is the key to Rippling Watercolors. If we can play softly with a beautiful sound, we will blow the audience away!

Finally, we will have a test over p. 5 #2 on Friday. Please look this over. It will be at 90 beats per minute. Remember ½ of your grade is playing in TIME.

Have a great day!

Lemen
