**MATH INTERMEDIATE 1 – Full Year Class:** Intermediate 1 is the New Utah State Core’s seventh grade class. This course includes the study of rational numbers, proportional reasoning, statistics, probability, two-and-three dimensional figures, angle relationships, solving equations, and solving inequalities. Successful completion of Intermediate Math 1 in 7<sup>th</sup> grade and Intermediate Math 2 in 8<sup>th</sup> grade will enable students the opportunity to choose placement in Secondary Math 1 or Secondary Math 1 Honors in 9th grade.

**ENGLISH 7 - Full Year Class:** This course focuses on reading, writing, and inquiry skills and experiences that are developmentally appropriate. The writing instruction emphasizes personal or self-connections, basic skills in assessment of writing, and specific editing skills. The research or inquiry skills identified are fundamental to investigation of a topic or question, with basic oral and written reporting skills. *This class has a \$10 class fee.*

**SCIENCE 7 - Full Year Class:** Topics from physical, earth, and life science are integrated in this course to illustrate the nature of “structure” as a property that is common to all sciences. Hands-on, inquiry-based instruction is used to help student’s value science as a process for obtaining knowledge based on observable evidence. *This class has a \$5 class fee.*

## REQUIRED CLASSES

**COLLEGE AND CAREER AWARENESS (CCA) - Full Year Class:** Career and Career Awareness (CCA) offers exploration and preparation for high demand jobs and career paths that are both satisfying and financially rewarding. This is designed to help students identify interests, traits, and skills and then help connect them to effective college and career planning. CCA is designed to provide students with career awareness, self-development, and career decision making skills. *This class has a \$13 class fee.*

**PE (Boys & Girls) – Semester Class:** Beginning Team Sports Activities is an entry-level course emphasizing beginner skills in a broad spectrum of activities in order to develop a foundation for future physical education classes. The course content is developmentally appropriate for seventh grade students who, in most instances, will be experiencing a formal physical education class for the first time. *This class has a \$3 class fee. This class may require an \$8 Willowcreek PE shirt. Black Willowcreek PE shorts are available for \$10*

**UTAH HISTORY – Semester Class:** Students will be introduced to the significant events, people, cultures, and issues that have influenced Utah from its earliest beginnings through the present day.

# MUSIC AND PERFORMING ARTS

**EACH 7<sup>TH</sup> GRADE STUDENT MUST TAKE AT LEAST 1 SEMESTER OF A MUSIC AND PERFORMING ARTS CLASS. THESE ARE THE CLASSES THAT FULLFIL THAT REQUIREMENT.**

**DANCE FUNDAMENTALS -- Semester Class:** This class is a prerequisite for auditioning for Willowcreek's Dance Company. This course introduces students to the main elements of dance, which are Body and Motion, Energy, Space, and Time. Beginning dance technique and movements will be taught in relation to the state core curriculum. This class will explore rhythms, style, and techniques of all dance genres, while still emphasizing basic choreographic elements. *This class has a \$3 class fee.*

**SOCIAL DANCE -- Semester Class:** This class is for those who would like to learn the basics of social dance. No previous dance experience is required. We will be learning styles like the waltz, cha cha, swing, 2-step, fox trot, tango, and some line dancing. This is a great class to learn the fundamentals of partner dancing.

**MUSIC APPRECIATION – Semester Class:** This course provides opportunities to become familiar with the basic elements of music. Emphasis is on learning to listen to music and on the role it plays within the wider contexts of history and society. Listening materials are drawn from a variety of sources: classical music, non-Western music, American popular music, and the American folk tradition.

**CHOIR 1 -- Full Year OR Semester Class:** Students have fun singing songs and learning the basics of reading music. This is a great class to prepare for going on to Intermediate Choir. They will enjoy the experience of rehearsing for and performing in a concert, an “informance”, and a service performance trip. *This class has a \$5 class fee.*

**GUITAR 1 - Semester Class:** Students will learn the basics of guitar technique and how to read and play music notes, tabs, and chords. Students will also rehearse for and perform a group concert. *This class has a \$5 class fee.*

**BEGINNING PERCUSSION – Full Year Class:** Study includes the building of proper technique on all percussion instruments, as well as performances in different settings. Students will have opportunities to improvise, compose, strengthen note reading and listening skills and analyze performances. Students in this class will need a **Percussion Bell & Drum Pad Kit** for home practice. **Depending on enrollment demand, priority may be given to those with previous piano or instrumental study experience.** *This class has a \$5 class fee.*

**BEGINNING BRASS – Full Year Class:** (Grades 7-9) Students will learn to play a Brass instrument. May choose: Trumpet, Trombone, French Horn, Baritone or Tuba. Students must provide an instrument. *(Some of the larger instruments (Tuba, Euphonium, Bassoon, Percussion, etc.) may be available from the school for rental at \$70.00 a year rental.) This class has a \$5 class fee.*

**BEGINNING WOODWINDS -- Full Year Class:** (Grades 7-9) Students will learn to play a Woodwind instrument. May choose from the following: Flute, Clarinet, or Oboe. Students must provide an instrument (Students wishing to play Saxophone or Bassoon will need previous woodwind experience and/or approval). *(Some of the larger instruments (Tuba, Euphonium, Bassoon, Percussion, etc.) may be available from the school for rental at \$70.00 a year rental.) This class has a \$5 class fee.*

**CONCERT BAND (BRASS or WOODWIND) -- Full Year Class:** This course further develops and refines core concepts and fundamentals introduced in Beginning Band. **Pre-requisite course is Beginning Band, or audition/approval for 7<sup>th</sup> Graders that have previous experience.** Students must provide an instrument. *(Some of the larger instruments (Tuba, Euphonium, Bassoon, Percussion, etc.) may be available from the school for rental at \$70.00 a year rental.) This class has a \$5 class fee.*

**ORCHESTRA – Full Year Class:** Study includes the care and cultivation of a beautiful tone, the ability to read music, the building of technical skills, team spirit, and responsible rehearsal habits. Students will have opportunities improvise, compose, strengthen listening skills, analyze performances and relate their music experiences to the time and culture of the pieces they study, as well as to contemporary society. *This class has a \$5 class fee.*

**ADVANCED ORCHESTRA - Full Year Class:** Students will be part of an ensemble of intermediate to advanced string players directed toward performing the finest in classical and contemporary music. **Teacher Approval Only.** *This class has a \$5 class fee.*

**DRAMA FOUNDATIONS—Semester Class:** This course introduces the student to the beginning elements of theater and performance with emphasis of self-improvement in performance. Pantomime, Vocal work, scene and monologue study are taught along with production criticism. The students will study movement, basic acting techniques, scene performance, character study, and an introduction to ensemble work. The student will be required to see a play during the semester.

**MUSICAL THEATER – Semester Class:** Designed to familiarize performing arts students with the process of auditioning and performing in the realm of musical theater. Students will work individually and in groups with staging, choreography, etc. Singing style, acting, coaching, musical theater history, and evaluation will be covered. Students will be required to sing and dance. They will perform in the school musical. The student will be required to see a play during the semester. **Teacher Approval Only. Must audition for Teacher to take class. Auditions will be at the end of April, check with the school website for dates.** *This class has a \$5 class fee.*

## OTHER ELECTIVE CLASSES

**ART FOUNDATIONS I – Semester Class:** *This class is a prerequisite for all other art classes.* Art Foundations I is a beginning art class. It provides an introduction to Visual Arts using a variety of media, with an emphasis on drawing. Major art projects are based on the Elements and Principles of Design, including Line, Shape and Color. Students will examine careers related to visual arts, and explore the multi-cultural aspects of Art History. *This class has a \$10 class fee.*

**ART EXPLORATION – Semester Class:** *Students must have successfully completed Art Foundations I in order to take this class.* Building upon the skills learned in Art Foundation I, students will advance their art making skills as they explore a variety of mediums such as graphite, colored pencil, charcoal, watercolor, cardboard, and clay in the production of both two and three dimensional projects. *This class has a \$10 class fee.*

**AEROBICS – Semester Class:** This total body fitness class involves cardiovascular exercises as well as body toning exercises. Exercise routines will be choreographed to music. Basic principles of fitness will be taught and applied in class. *This class does NOT replace PE credit. This class has a \$3 class fee.*

**DEBATE I – Semester Class:** This is a basic course in speech and debate. Students will learn techniques of research, persuasion, organization, refutation, and group processes. Content will include important issues facing the world, our nation, and ourselves. Students who take this class will read at or above grade level, and will write two cases which are five paragraphs in length. Attendance while cases are presented is critical in this class. Students are not allowed to argue with parents while they take this course.

**DEBATE 2 – Semester Class:** Debate 2 is for the experienced debater who knows how to write a debate case, understands research, and recognized logical fallacies and illicit appeals to emotion. This debate class requires all students to write well, enjoy researching, and can engage in a polite, respectful exchange of ideas with those of opposing views. Debate 2 will explore team (policy) debate, public forum debate, mock trial, student congress. These are the activities which require previous exposure to argumentation as an art form.

**CREATIVE WRITING -- Semester Class:** It is a broad-based introduction to various forms of writing, such as short fiction, poetry and non-fiction. Students also experiment with writing these genres and practice the art of creative writing. *This class has a \$10 class fee.*

**AGRICULTURE SCIENCE -- Semester Class:** Exploring Agriculture Education analyzes the different aspects of the agricultural industry. This course is designed to introduce students to the vast opportunities available in Agricultural Education. Students will be given the opportunity to learn how agriculture and agribusiness affects their daily lives.

**EXPLORING TECHNOLOGY 7 -- Semester Class:** In Exploring Technology 7 students will be introduced to the technological systems of aerospace, communications, construction, energy/power/transportation, manufacturing, and biotechnology. The course emphasis is on exploration activities using computers, technology equipment, and manufacturing tools. *This class has a \$6 class fee.*

**INTRO TO FOREIGN LANGUAGE – Semester Class:** This course is designed to increase students' awareness and understanding of modern cultures and traditions, more particularly for the many Spanish, French and Chinese speaking countries around the world. It also includes a brief introduction to all three languages. This class is NOT a prerequisite for level 1 but is highly recommended.

**KEYBOARDING 1 – Semester Class:** In this beginning semester keyboarding course, the student will master touch operation of a computer keyboard. Correct techniques including fingering, key strokes, posture, and the development of speed and accuracy will be stressed. The student will learn to format simple reports, personal and business letters, and tables. The acquisition of business communication skills will be integrated throughout the course. *This class has a \$10 class fee.*

**KEYBOARDING 2– Semester Class:** This 7-12 grade course is designed to increase student keyboarding skill through drill practice and reinforcement of correct techniques. Students will use word processing software to create, format, and edit personal and business documents. *This class has a \$10 class fee.*

**PSYCHOLOGY – Semester Class:** Course introduces the field of psychology and its basic concepts, theories, research methods, and contributions to the understanding of human behavior. Topics include the five senses, sleep & dreams, learning and memory, social behavior, and behavioral disorders. The past and current theories and contributions of major psychologists are explored.

**PEER TUTOR – Semester Class:** Peer Tutors will be involved in assisting students in special education with their classes. This class would be most helpful to students considering a career in teaching, coaching, etc. It is extremely important that the students chosen for this class are responsible and have a very good attendance record. During the school year this class goes on community trips, a few of them will require the student to bring a few dollars. *Application required.*
