Discussion Meetings: Determine greatest academic need.

Mr. Felix presented data to the council; to give them a better understanding of what department is in need of, technology, professional development days, etc.

The council would like each individual department come and present what their 3 top academic greatest academics needs would be.

PBIS:

- PBIS Conference do we want to send are committee to a conference.
- Look into Ron Clark program

High Honor roll activity will be held 1st and 2nd semester.
