Please provide a brief description of your past involvement in the public school system and what you hope to accomplish as a member of the school community council. This information will be included on the ballot.

I have served on the school community council
at Shelley Elementary for 6 years. I served
as the chair for the past year. I understand
budgets and financial planning. I want to
use the allotted school fund to improve citizenship
and provide the technology needed in the classrooms
I am a strong supporter of teachers and their
role in our children's lives.
