Please provide a brief description of your past involvement in the public school system and what you hope to accomplish as a member of the school community council. This information will be included on the ballot.

I am a concerned parent who invests in my children's education. I volunteer each year in a variety of ways such as grading papers, helping children in the classroom with math and reading & chaperone activities. I have served on the booster club for AFHS soccer for 5 yrs, organizing fund raisers & coordinating activities to aid the team. I was a teacher's aid in The Life skills class at Shelley Elementary, a substitute teacher at the Young Mother's High School in Provo, and an assistant softball coach at Timpview High School. I have served as a school community council member at AFJH and AFHS. I hope to maintain a positive working relationship among parents, administrators and teachers while advocating the education and safety of our youth at AFJH.
