

## AFJH Sora Summer Reading Challenge - 2022

The media center at American Fork Junior High is sponsoring a summer reading challenge. Students who read or listen to 3 books on the Sora reading app will qualify for a sweet treat party in August. Sora is an easy way to always have great books available. All incoming 7<sup>th</sup> graders as well as next year's 8<sup>th</sup> and 9<sup>th</sup> graders are invited to participate.

Sora allows you to check out 2 items at a time and you can keep them for 2 weeks. You are welcome to renew the item as long as no one else is waiting for it. You can also place holds on items that are not immediately available. The best part is that there is never a fine for returning a book late.

You can download the Sora app from the app store or go to [soraapp.com](http://soraapp.com). All students have a Sora account. The **username** is *student #* (this is the number used to get lunch and checkout books). You can also find it in Skyward. The **password** is the student's *last name*. When you log into Sora you will have to select Alpine School district and then the school – American Fork Junior High. You can also use the setup code AlpineUT.

If you have login problems you can email Mrs. Edwards, the school librarian, at [tedwards@alpinedistrict.org](mailto:tedwards@alpinedistrict.org). She will respond as soon as possible. Also, if you have a book recommendation you would like on Sora, email her as well and she will see what she can do.

The challenge runs from **June 1<sup>st</sup> to August 13<sup>th</sup>**. Once we are back in school, we will check Sora and all students who have met the requirements will be invited to a sweet treat party.

Happy Reading and have a great summer.
