Dear Students and Parents,

It is time for the 8th grade class to have their Career and College Readiness (CCR) meeting with the counselors. **It will be a group meeting in the auditorium** at Vista Heights where the Counselors present information about:

- High School Registration
- High School Graduation Requirements
- Regents Scholarship
- Other ways to plan and pay for college and the future

This will happen October 18th and 19th during your student's US History class.

Please see your student's scheduled appointment above.

We invite parents and guardians to join us in the auditorium during this time. It is a time that will help students plan for future successes in their lives. If you have any questions or feel a need to have an individual meeting with a counselor please feel free to call Mrs. Trudy Lewis at 801-610-8771.

Thank you for sharing your students with us and for giving us the opportunity to assist in making a difference in the future of our community, our country, and our world. We believe in our students.
