

# VISTA HEIGHTS MIDDLE SCHOOL

## OUR MISSION

We prepare our students for tomorrow through effective education today.

## OUR VISION

To become a school that is student centered,  
mission driven and community involved.

- \* All students are held to high expectations
- \* Effective instruction is the foundation of student learning
- \* Effective collaboration creates the conditions for student success
- \* Assessment data provides information to make instructional decisions
- \* All faculty and staff are leaders and as such will serve as positive role models to inspire others to exceed their potential
- \* Current technology provides another tool to assist students

## OUR VALUES

Student Centered:

- Expect best efforts and promote continual improvement
- Use technology and effective instruction to increase learning

Mission Driven:

- Continuously improve our teaching styles, strategies, and techniques
- Excellence is a process of continual improvement

Community Involved:

- We must all be examples of integrity and do what we say we will do
- Every person in our community can be a part of the solution
- Students achieve their best when parents are actively involved in the education process

## OUR GOALS

To be determined by departments and teams.
