**New Business**

- 1) Idea was presented for parents to view other schools trust lands plans within our district, to get idea on how to spend monies. The first of the year is all about gathering information, recognizing needs, and making plans and proposals. This will be a great idea on how to do that.
- 2) Faculty is going to give input on how to spend \$1000 for extensions.
- 3) Steve gave presentation on SAGE data.
- 4) Students will get information on Friday regarding their scores. Each student will take home a copy of their scores.
- 5) Vista Heights scores were excellent in comparison with state and district scores.
