

STUDENT *TEACHER'S AIDE* APPLICATION

2017-2018

Student Name _____ Date _____

Grade 8 or 9 GPA must be a 2.5 or above _____

This class is counted as an elective credit. You will not receive a letter grade only a Pass or Fail. The following areas of evaluation will determine your passing grade:

- Attendance * Honesty * Confidentiality * Dependability * Promptness
- Following Instructions * Working well with others * Initiative
- Acceptance of Responsibility * Personal Appearance

These classes are open to both female and male students. We need students who are dependable, personable and able to follow directions. Students who assist in the Media Center and as teacher's aides will fulfill a variety of assignments. In all of these classes it is important that students be able to follow procedures, have some self-motivation and be willing to do the menial tasks.

The student will get the teachers signature at the beginning of the semester.

I agree that if I am unable to fulfill the above tasks that I will be changed out of the TA class and put into another elective and forfeit the opportunity to be a TA or Peer Leader at Vista Heights in the future.
