Administration Message

Dear Canyon View Patrons,

We are well into the new school year and it has been great to be back at school learning together. Canyon View exists as a place for students to come and learn things that will help them lead fulfilling lives. I love visiting classrooms and seeing evidence of learning take place. I love seeing our students' faces as looks of confusion transform into looks of understanding. I love seeing kids try difficult things and fail without giving up until they have mastered that difficult skill. Everyday hundreds of students are having these learning moments at Canyon View. Our mission is to make learning happen for more students more often. Every member of our Canyon View community has a role in ensuring student learning. Our role as faculty and staff is to remove barriers to learning that exist. We are proud of the work put in by Ms. Damarjian, Ms. Kent, and others to run a food pantry at Canyon View. They recognized that students can't learn when they are hungry so they removed that barrier by providing healthy snacks for our students. Ms. Hoyal, Ms. Caldwell, and Mr. Gomez put in a lot of work to successfully implement our 1:1 chromebook initiative this year. We hope this will provide access to high quality learning experiences for all our students regardless of their circumstances. All of our teachers spend hours each week outside of class time collaborating together to improve their teaching so that our kids are sure to have a highly-trained teacher. Our teachers are experts at identifying barriers to learning that exist for individual students and supporting them until they master the essential concepts for their classes. We look forward to a successful year removing barriers to learning here at Canyon View!

Sincerely,
Grant Cotterell, Assistant Principal

Student Council

CANYON VIEW PANTRY

We are so grateful for the generous donations from parents and community members who have helped to make our pantry a success! We are open on Mondays and Fridays after school from 2:20-2:50. Elementary students are also welcome to visit our pantry during our open hours. Additionally, snacks are available in between classes in several locations including the front office and counseling office.

We are always accepting more donations. Our biggest needs are snack items for our hangry bags. We also could always use the following: ramen, Cup Noodle, mac and cheese, cereal, fruit cups, Capri Suns, string cheese, yogurt, rice crispy treats, etc.) deodorant, laundry detergent. Or if you prefer you can donate cash by going to the Canyon View website <https://canyonview.alpineschools.org/> and click on "Donate to a CVJH Program" in the upper right hand corner and write "Pantry" in the notes.
