Administration Message

Dear Canyon View Patrons,

We as a school are very excited about the start of a new year. It is great to return to a regular schedule once again. We feel it gives your students a better more well-rounded school experience. We have some changes this year that we are very excited about. One of these changes is that Canyon View is part of Alpine School Districts Next Generation Schools. This program has made it possible for every student at Canyon View to be given their own Chromebook for the year. This makes it possible for our students to have access to technology at all times, improving their learning opportunities. If we as a school can aide you in any way to improve your students experience this school year, please feel free to reach out to us.

Sincerely,
Wade Lott, Principal

Student Council

CANYON VIEW PANTRY

We are excited to announce that our Canyon View Pantry is open! This pantry will provide snacks, easy to prepare meals, and hygiene supplies for Canyon View students as needed. Our pantry will be open on Mondays (Tuesdays if we don't have school on Monday) and Fridays from 2:30 pm- 3:00 pm. Additionally, we will have snacks available for hungry students in designated locations throughout the school. We hope this will help students who didn't have time to eat breakfast or just need a little snack to tide them over until lunch.

We couldn't do this without your support! We are always accepting snack and hygiene donations (feminine products, deodorant, shampoo/conditioner, toothpaste, toothbrushes). Additionally, you can donate money for the pantry through the Canyon View website by clicking on the "Donate to a CVJH Program" link in the upper right-hand corner and write "pantry" in the notes.

COUNSELING OFFICE

Canyon View Jr. High

9th grade College and Career Readiness meetings (CCRs) are being held from September 27 through November 19. These are 20-25 minute individual meetings with students, parents and a counselor. During these meetings we will help students prepare for high school, college and careers by discussing current grades, test results, high school completion requirements, college admissions requirements, scholarships and basic career plans. We will also help students make an education plan for the next several years. It is important that parents attend this meeting. We will be sending out information soon on how you can schedule a time through Skyward to attend with your student. If you do not set up an appointment, one will be scheduled for you.

We look forward to meeting with you and your student!

2021-22 Canyon View Junior High School Tardy Policy

Promptness is a life long skill that we strive to teach here at Canyon View Junior High School. The intent of the Canyon View Junior High School Tardy Policy is to help promote and foster that skill. Students are encouraged to be to class on time to make sure they are ready to learn. Please help us meet that goal by encouraging your child to be to class on time. Please see the tardy policy below.

Promptness is a lifelong skill we strive to teach at CVJH!
CANYON VIEW JUNIOR HIGH TARDY THRESHOLDS *Let's teach your student this skill together!*

4 tardies in any class will result in a phone call home from the student's teacher.

CANYON VIEW JUNIOR HIGH TARDY MAKE UP

Tardies can be made up with the teacher where tardies were accrued. 15 minutes will make up one tardy in after school remediation.

10 tardies in all classes combined or 4 tardies in one class will result in a meeting with student, parent & administrator. 9th grade students will not be eligible to attend Lagoon day.

10+ If tardies persist, more meetings, suspensions and/or adults escorting students to class will take place. In some cases a parent will be asked to come to school to help walk their student to class.

TAKE ADVANTAGE OF YOUR STUDENT'S ADVOCATE

Did you know that at Canyon View Junior High School we have advocates hired to help your child succeed? The school alphabet is divided up three ways and we have hired professionals who help track attendance and communicate with you when we have concerns about your child's education. Take a look at the divisions below.
