G- Goal Oriented

SCHOOL GOALS + SCHOOL IMPROVEMENT PLAN (SIP)

How will we monitor our progress along the way?

1. 20 or fewer 9th graders begin their Sophomore year behind credit for graduation.
2. 5% or fewer students, school wide with a failing grade each term.
3. Improve student proficiency by 5% in Language Arts, Science, Math and subgroups (ELL , Special Ed) on SAGE results.
4. ALL teachers will use reading and writing outlines on writing and reading components in their individual classrooms at least one time per term..

Additional Goal on SIP-

*Provide ongoing support for teachers with professional development in summer collaboration and during the school year to identify students needing additional time and support.
