

Frontier Middle School

School Community Council Candidate Form

Serving on the School Community Council

Serving on our School Community Council is a wonderful way for parents and teachers to contribute and help improve academic performance at our school. The school receives an annual dividend from the school trust lands. This year our allocation was over \$150,000. Our council decides how these funds will be used. The council also reviews and prepares other academic and safety plans for our students each year. All plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations. Frontier has four open parent positions. Our meeting schedule will be determined at a later time, but generally SCC meets one time per month.

Qualifications

Every public school in Utah has a School Community Council. The councils are made up of school employees who are elected by employees and parents who are elected by parents of students attending the school. Membership terms are for two years. Elections for Frontier will be held in the Spring. Parent members must have a student attending the school during one of the first two years of their service. For more information please visit www.schoollandtrust.org.
