Watchdogs Program (Lee Jacobson)

Fathers volunteer in school for a day with their children. They help in the parking lot, greet children in halls, go through lunch time, and spend some time in their student's classroom.

Explained program.

Reduction in Bullying

Helps with Student Achievement

Kevin Rich suggested that if there was a way a Father could establish relationships with students that would be beneficial.

Concern that parent time is worthwhile to parent and to students.

How do you measure the success of the program?

Lots of possibilities and it needs to be managed with instruction to parents & to teachers.

Educate & create structure

Must wear shirt & must be pre-registered
