

# Lakeridge Safety

*Discussion Questions—Use or feel free to lead your own*

1. Stay behind the fence: Class response. Why do we need to do these things? (To keep us safe is not the only answer. Dig deeper!)

2. Ways to be positive: Turn to your elbow partner for a response to this question: Why are each of these points important?

3. Don't tap on the glass: Tell each other now three more ways to be positive not listed above and record them below.

4. When you want to express yourself: Make up a case scenario in which you want to express yourself and try it out on your elbow partner. Fill in the following blanks: I feel \_\_\_\_\_ because

---

5. When you want to disagree: make up a topic or use one from the slide to practice this skill with your elbow partner. Fill in the following blank: I have a concern about \_\_\_\_\_ because

---
