Reflections

Congratulations to the students who participated in this year's PTA Reflections program and showed that Lakeridge Leopards have talent! All participants received certificates and sweet swag bags. Works by the following students were selected to advance to the Alpine Council level: Eliza Freestone, Allie Jorgensen, Ester Keen, Hannah Keen, Hyrum Largey, Hunter Meeks, Tanner Meeks, Ariana Minson, and Katie Peterson.

Leopards Care

For our activity in December the students helped make 20 fleece blankets for the Primary Children's Hospital. The blankets were pre-cut, and the students tied knots to finish them. Some students spent their whole lunch tying blankets! We are so impressed with the students who come help with these activities!

Our next leopards care activity will be Feb 9th during both lunches. We will be making valentines/notes for the military.

4H Clubs

The 4H leaders would like your help recruiting your student(s) to join their free after school clubs!

On Mondays, they hold light saber dueling club, coding- led by a student from BYU, and ambassadors, which is a leadership club that looks great on resumes! Tuesdays & Thursdays, they offer ballroom, taught by two college students with ballroom experience, ukulele, and baking. On Wednesdays, 4H clubs include drumming, led by the lead snare drummer at BYU, poetry- led by a published poet, and mixed media art- taught by a community arts teacher. On Fridays, 4H clubs include creative writing, hip-hop, and light saber dueling.

If your student(s) have a passion for writing, coding and computers, dance, and drumming, ukulele or music in general, or would benefit from any of the offered 4H after school clubs, please email lakeridge4h@gmail.com, or send your child to the cafeteria after school on weekdays to sign up! We've got great 4H leaders, and it's such an awesome program! Please help by encouraging students to attend the clubs!

Author Visit

Local Orem Author Beth Brower is returning to Lakeridge Feb 1, 2018 during Extended Flex in the Media Center.

Beth Brower

Beth Brower will take our students on a journey of how you can use your imagination to escape into the world of creating a story of mystery, adventure and love. She will introduce her new novel "The Beast Of Ten" and share how she created this amazing book. Plan to come and experience the joy of writing.

Like many of my siblings, I would sneak out of bed, slip into the hallway, and pull my favorite books from the book closet. I read my way through the bottom shelf, then the next shelf up, and the shelf above that, until I could climb to the very top shelf, stacked two layers deep and two layers high, and read the titles of the classics. My desire to create stories grew as I was learning to read them.

Subsequently, I spent my time scribbling in notebooks rather than listening to math lectures at school.

I graduated with a degree in literary studies, and have spent several years working on the novels that keep pounding on the doors of my mind, as none of my characters are very patient to wait their turn. I currently live in Orem, Utah, with my wonderful chemist husband, and books in every room of the house.
