

MRJH Service Club

This year we starting a Jr. High Service Club. It is a place where students can bring their lunches one day a week, eat together, and then work on humanitarian projects. We will be working on blankets for homeless shelters, bear dolls for refugee camps, bead animals for school kits, letters to service personnel, and many other projects. This is a place where our kids can truly make a difference in their community and the world while they make friends within the school.

We will have our first introductory meeting on Tuesday, Oct 25th (the day students return from Fall Break) in the Auditorium during both lunches. We will explain more details and get to know each other a little better. After that, we will have the Service Club every week in D-Hall during both lunches.

Because we are just starting, we are asking for more volunteers who may come as often as they are able (even once a month will help) to work directly with students. If you'd like to volunteer, please contact Jill Brown at jillbrownie@gmail.com for more information.

We also are asking for donations of the following items

- Scissors (Fiskars 'Graduates' work the best)
- 1 1/2 yard swatches of children's print fleece (new only, please)
- Scrapbooking supplies (paper, glue sticks, stickers, etc.)

If you'd like to donate, please contact Jill Brown at jillbrownie@gmail.com.

We are looking forward to starting this club and getting to know your students. Please have them look for more information on the posters in the hallways, and feel free to contact Jill Brown with any further questions.
