Subtotal _____ /20

PLEASE READ: *Please remember the "Create an Island" Term Project is due by 3:00 PM on the due date posted even if the student is absent. No late passes will be accepted. Because computer malfunctions and ordinary illnesses will not afford students extra time on this project, it is highly recommended that students complete projects at least one day prior to the posted due date. Late projects will lose 20 points per day with no extra credit allowed.*
