

Oak Canyon

Mission Statement:

Together, We Learn for Life

Vision:

Ensuring student success through collaboration, data analysis, and collective inquiry.

Values:

Education becomes a lifelong process when students enjoy learning.

Students learn responsible behavior when respect for others is encouraged, expected, and modeled.

Quality education results when all students' needs are met through the cooperative efforts of diligent students, effective educators, involved and concerned families, and the community.

The ethical use of technology, combined with effective teaching, promotes student learning.

Skills, knowledge, and values are best acquired in a safe learning environment.

Students learn to become well-rounded, contributing citizens in a world community.

Goals for 2012-13:

Oak Canyon will work with students with D, F, or I grades to decrease the overall percentage of students with a failing grade as compared to their class the previous year.

Oak Canyon will continue the implementation of the new core in Language Arts and Math.

Oak Canyon will refine and monitor the *Four Essential Questions* to assist student learning.

Oak Canyon

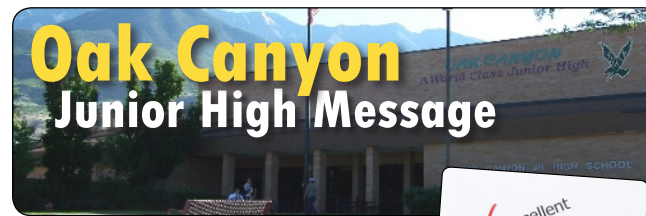

Stakeholder Report Academic Results 2012-13

We are pleased to present to the patrons of Oak Canyon Junior High School our annual Stakeholder Report. We realize how privileged we are to be in the education profession and look forward to serving you and your student(s) with a high quality education for many years to come.

What is Inside?

Annual Report Card | Educational Opportunities
Oak Canyon Service | SCC/ Trust Land Update
Mission, Vision, Values, Goals

As the administration of Oak Canyon Junior High School, we are proud to work in a wonderful community. We are very impressed with the involvement of parents, teachers and students in the collaboration process. We are committed to all students and their success. There are many opportunities for all students to get involved. We encourage all students to find their interests and get involved in school.

We have recently received our data from the spring CRT assessment. Oak Canyon continues to be a great school. The state has made major changes regarding how student assessment data is being used to rate school effectiveness. Student proficiency and student growth are equal factors in the school score, with a possibility of 600. Anything over 400 is considered a good score. As a school Oak Canyon scored 452.

Student growth is measured each year by comparing the students' previous year's CRT scores with their current scores. Students are put into cohorts with students around the state who scored the same the year before. Their scores are then compared and student growth percentiles are calculated. The scores come from two parts: all students, which is equal to 200; and below proficient students, which is equal to 100. Student growth percentile is worth 300. The other 300 points come from the overall proficiency score.

This is the first year this scoring method has been used. This is new and exciting! As the state and schools move forward, our understanding of the data will improve, and we will continue to grow. We are excited about where we are as a school and are very proud of the faculty, staff, students and parents who are involved in this great community.

Educational Opportunities

Oak Canyon offers a variety of high quality educational and extracurricular opportunities for students.

Career & Technical Education

- Computer Technology
- Clothing (I, II)
- CTE Intro
- Foods (I, II)
- Keyboarding (I, II)
- Technology & Engineering
- Teen Living
- Woods (I, II)

English

- Creative Writing (I, II)
- English 7, 8, 9
- English Academy 7 and 8
- English 9 Honors
- Humanities (I, II)
- Popular Literature
- Read 180

Fine Arts

- Art Foundations (I, II)
- Art & Art Media Methods
- Young Masters
- Choir
 - Beginning
 - Intermediate
 - Advanced
 - Audition
- Band
 - Beginning
 - Concert, Jazz
 - Percussion
 - Symphonic
- Drama (I, II, III)
- Orchestra
 - Beginning
 - Intermediate
 - Advanced
- Photography (I, II)

Foreign Languages

- French (I, II, III)
- German (I, II, III)
- Spanish (I, II, III, IV)

Math

- Intermediate I
- Intermediate II
- Secondary I
- Algebra II

Physical Education

- Physical Education (7, 8, 9)
- Ballroom (I, II)
- Health

Social Studies

- Utah History
- Utah History Academy
- United States History
- United States History Academy
- World Civilization
- World Civilization Honors
- Geography
- Geography Honors
- Geography AP

Science

- Integrated Science 7
- Integrated Science 8
- Earth Systems
- Biology
- Biology Honors

Additional Opportunities

- Basketball (9th Grade)
- Book Club
- eTime
- Geographic Olympiad
- 4H
- Resource
- School Plays
- Student Council
- Peer Tutor
- PTSA Student Leadership
- Service Opportunities
- Science Demo Team
- Spelling Bee
- Teacher Aide
- Track and Field (7th, 8th, 9th)
- TSA
- Yearbook

eTime

eTime provides additional time for students to work with teachers, review core concepts, receive support with their class work and get caught up on their assignments. With the implementation of eTime four years ago, we have decreased the number of failing students, while maintaining academic rigor, when compared to the four years prior to the launch of eTime. Congratulations to our students who are learning more, and to our teachers for their efforts during eTime to help all students achieve.

Effectiveness of eTime:

	2004 - 2005	2005 - 2006	2006 - 2007	2007 - 2008	Before eTime Avg	2008 - 2009	2009 - 2010	2010 - 2011	2011-2012	2012-2013	eTime Averages

Quick Facts:

- Last May, more than 97,000 high school students took the Advanced Placement (AP) Human Geography test nationwide, including 38 students from Oak Canyon. While only 52.2% of students pass the exam nationally, 82% of Oak Canyon students passed by scoring a 3 or above on a scale of 5. Over the past six years 177 Oak Canyon students have earned 3 semester hours of college Human Geography credit.

- Students in guided studies are completing 80% or better of their homework. 98% of students in guided studies are passing all of their classes.

- Oak Canyon has state of the art sound systems and projectors in each classroom. Our math classrooms all have Promethean boards.

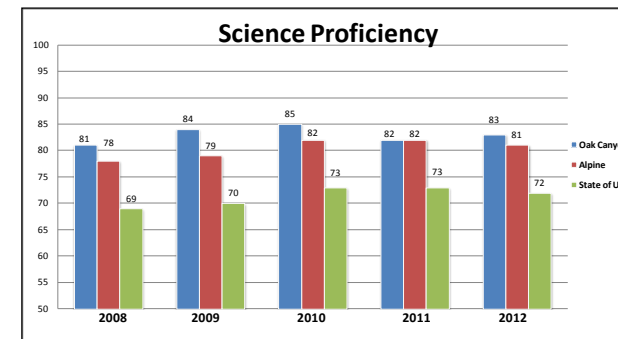

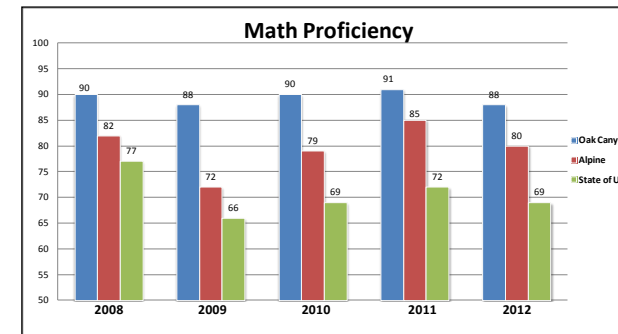

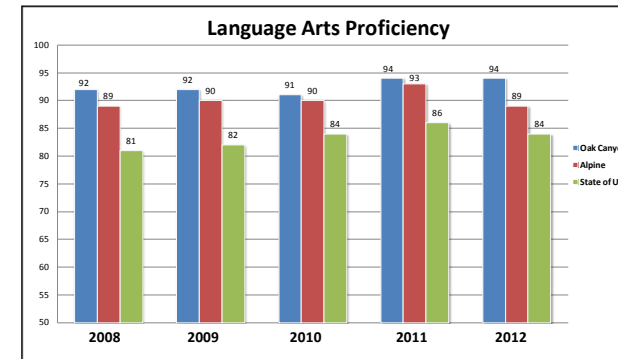

- 100% of students who took Algebra II passed the CRT last year.

- There is an after school 4-H program for all students who are interested in getting involved.

- Last year Oak Canyon implemented a new tardy policy. For quarter 1 this year 93% of students have zero tardies.

CRT Results

Utah's Criterion Referenced Test (CRT) is a test that measures student mastery of the state core curriculum. This test is administered to students at the end of the school year in Math, English, and Science classes. Mastery levels are assigned on a scale of 1 to 4. Students scoring 3 and 4 are considered proficient. The charts below show the percentages of Oak Canyon students that are proficient in each subject area. Traditionally, students at Oak Canyon have scored high on CRTs, regularly surpassing student averages from Alpine School District and the State of Utah.

SCC School Trust Land:

The School Community Council (SCC) oversees the Trust Land money received each year. Guidelines for the expenditure of this money are used to "focus on the most critical academic needs to directly impact instruction and enhance academic excellence." Oak Canyon's SCC uses Trust Land money to benefit all students at Oak Canyon. Students with academic needs are a focus for Trust Land money; in addition with our tradition of high academic success, the SCC also allocates money to programs for students who excel in school. For 2012-13 Trust Land money has been spent in the following ways:

Hourly Certified Help

AP Geography \$8,000

This class prepares students to take and pass the AP exam. AP Geography is offered to those students who feel prepared to take this college structured class.

Math Lab..... \$4,000

After school math help provided to all students needing assistance from one of our certified math teachers.

Guided Studies \$11,000

These classes are structured to provide students with individual guidance and support needed for success in school.

Read 180..... \$10,000

This class provides direct instruction in reading comprehension, vocabulary building, and reading strategies to students needing additional support, based on data from CRT's and Lexile scores.

Total: \$33,000

Benefits on above account @ 24%..... \$8,250

Supplies (Projector, Stakeholder Report)..... \$1,320

Equipment (MyAccess software)..... \$8,085

Total: \$50,655
