

## **Doug Panee**

I was born and raised in Hawaii and grew up loving the outdoors and the ocean. This love for the outdoors and nature has guided my career and interests towards science. I have taught in Alpine School District for 30 years and been advising students on the Oak Canyon Science Demo Team for the past 25 years. I've served as the Utah Science Teachers Association President and a member of the board for over 10 years and have also fulfilled many other science related positions throughout the district and the state. I am a certified NRA shooting instructor, a licensed ham radio operator, "Kilo Echo 7 Lima Mike Bravo" (KE7LMB), a licensed DJ - Dark Matter DJs LLC, and a member of the faculty of the best middle and junior high school in Alpine School District.
