

## **Ms. Flood**

This is Madame Flood's 15<sup>th</sup> year teaching French and US History at Oak Canyon! She has an undergrad degree from BYU, a Master's degree from Utah State and is working on a second Master's degree at BYU right now. Her husband is a French professor at BYU and they have 3 kids of their own, a 10<sup>th</sup> grade boy at THS, a 7<sup>th</sup> grade girl at Oak Canyon and a 4<sup>th</sup> grade boy in a French immersion school in Provo. She adores her students and hopes that they all know she loves them and that being with them every day makes her the happiest. When she has a free second she can be found in her metalsmith studio making pretty jewelry.
