

Ms. Linville

I was born in Wyoming and raised in So. California. I met my husband in High School and we've been married for 46 years. We moved to Utah 42 years ago and we have 4 kids and 13 grandchildren. My husband and I like to spend as much time as we can seeing this beautiful country. I started working at Oak Canyon in 2001 as a Life Skills Aide and later as a Resource Aide, then 8 years ago I got to become Oak Canyon's Library Assistant, clearly I love being a part of Oak Canyon!
