

Mrs. Hoyal

I was born December 13, 1977 in Provo, Utah. I grew up in Orem and moved to American Fork with my husband. We have 5 children and a Foster daughter who has lived with us for 15 years who has disabilities and cannot live on her own. I love sitting in a lawn chair talking with family either at a baseball game, in the park, at Lake Powell, or in my backyard. I love my job and am grateful to be doing something that I enjoy everyday.
