

6th Grade Accelerated Math Testing

Each junior high manages their own accelerated math testing. Registration is handled through Gifted Services, but questions about that test should be directed to the school person listed below.

Results from summer testing will be sent to schools just prior to school beginning. The math class will likely not show on your student's first schedule. If a schedule change is needed, the school will make that once placement decisions are made.

[Register for the test at this link](#)

American Fork Junior High is hosting their own make-up sessions. Please attend testing during their offered times if you plan to attend American Fork Junior.

School	Assessment Date(s)/Time	Location of Assessment	Contact for School Questions
American Fork	April 25 9:00-11:00 or August 16, after 7th grade day ends	AFJH Math Classrooms	kpollard@alpinedistrict.org

For other junior highs, you may attend one of the district sponsored make-up days. You may attend any session, no matter which school is hosting.

June 8, 9:00-11:00am Orem Jr. High

June 21, 9:00-11:00 Lake Mountain Middle School

August 15, 3:00-5:00pm Mountain Ridge Jr. High

Schools listed below will be using results from the district sponsored test dates.

School	Contact for School Questions	School	Contact for School Questions
Canyon View	kcurtis@alpinedistrict.org and rachelles@alpinedistrict.org	Orem	Krystin Carter-Sanchez, krysanchez@alpinedistrict.org
Frontier	mstuart@alpinedistrict.org	Pleasant Grove	hannahbutterfield@alpinedistrict.org
Lake Mountain	tziter@alpinedistrict.org	Timberline	Geoff Busby, gbusby@alpinedistrict.org
