

FAQ- Advanced Learning Placement Test

Q: Where do students register for the placement test?

A: <https://alpineschools.org/gifted-services/>

Q: Where can I find the elementary school testing schedule?

A: bit.ly/asdtesting2023

Q: Does a student have to take the whole test if they are only interested in math?

A: No. Students may register for math only. They may also register for the other A.L.L. subjects (English/History/Science) only, OR they may register for the whole test.

Q: When is the deadline for a student to register?

A: The deadline to register to test during the school day is January 26 at 4:30pm. No late registrations for in-school testing are accepted.

Q: Are students allowed to retake the test if they do not get accepted?

A: Students can appeal the decision following the ASD guidelines found on the Gifted and Talented Services website. There will be selected dates in the summer (also proctored by the Gifted and Talented Team) if a student/parent is insistent about testing again. However, it will be a different version of the test.

Q: What are the Saturday options if a parent doesn't want their child pulled from class?

A:

- January 28 (8:15am-12:15pm) Orem Jr. High, Orem
- February 4 (8:15am-12:15pm) Lake Mountain Middle, Saratoga Springs
- February 11, (7:30-11:30am or 12:30-4:30pm) American Fork Jr. High, AF
