PRINCIPAL'S MESSAGE

The end of the 2023-2024 school year is fast upon us, and there is so much to celebrate! On May 8th, The Timpanogos A team won the Freshman League Volleyball Championship against Lone Peak! We have 4 Oak Canyon students on the championship team (and 7 Oak Canyon kids on the B team that took 3rd in the silver bracket!) In addition, we'd like to congratulate the PGJH Boys Varsity Volleyball Team for winning the 6A title on Saturday. Two Oak Canyon 9th graders, Tyson Thomas and Jaxon Fink, helped the PGHS team bring home this first ever state championship in Boys Volleyball!

We'd like to congratulate all of our 9th grade students that were celebrated on May 16th at our annual 9th Grade Award Night. Students were selected by their teachers for standing out in Career and Technical Education, Fine Arts, English, Math, PE/Health, Science, Social Studies, World Languages, Student Leadership, Language Acquisition, DLI, and the State Seal of Biliteracy for OCJH French, German, Spanish, and Portuguese students. In addition we recognized the following individuals for representing the best of the best at Oak Canyon:

Athletes of the Year: Oaklee Castle and Easton McCustion

Art Purchase Award: Alice Hagi Manoukian

Patron of the Year: Briti Newman, PTA Volunteer

Employee of the Year: Nick Arnett, Tech

Teacher of the Year: Jenna Flood, French

Students of the Year: Olivia Gaskin and William Jorgensen

Spirit of Oak Canyon: Elsie Thomas

We are sad to see our 9th grade students go on to Timpanogos or PGHS, but they are ready and will do us proud as they continue to learn and grow. We'd also like to wish a fond farewell to Ms. Samantha Johnson and to Mr. Chris Wintle as they move on to new adventures outside the walls of Oak Canyon. This year we have tried new things, we have learned and improved, we have grown as individuals and as a group. We have worked hard and played hard, and we have given our best efforts. Truly, now is the time to reflect, rejoice, and relax! As always, it is my privilege to be an Oak Canyon Eagle!

SAFE SCHOOLS REMINDER--PLEASE TALK ABOUT WITH YOUR STUDENTS

Student safety is a top priority at Oak Canyon. Recently, there have been some changes in both legislation and district policy in regard to safe schools. First, students are not allowed to have weapons or facsimiles of weapons on campus. This includes all manner of weapons you'd expect, but some you might not expect are pocket knives, multi-tools, paintball guns, and even water guns. If found with a weapon, real or fake, students will be subject to the same consequences. In addition, state legislation that went into effect on May 1st deems any threat to a school (bomb threat, school shooting, etc.) no matter if it is a real threat or fake is now considered a 3rd degree felony and will be subject to legal consequences. This is no laughing matter, and seek your partnership in sharing this information with all OCJH students. Thank you for your cooperation in this matter.

EARLY MORNING SEMINARY--LAST CALL

As advertised in previous Newsletters, we have been trying to fill one early morning seminary class for the 2024-2025 school year. We have to have 25 students enrolled by Friday in order for the class to carry. As of 5/17, we have 20 students that have signed up for this opportunity. We are so close! If you are interested in doing this, please reach out to your counselor this week even if you have signed up through your church or have used the QR code. We are hopeful that we can offer this opportunity at Oak Canyon next year, but if the class doesn't carry, students can participate in early morning seminary at the high schools or online.
